

Download 12x40

Optical performance Angle of view: The Kronos BPO 10x50 is specified with 6.8 degs and this provides a nice wide apparent field of view of about 68 degs. Discover the Leupold VX-Freedom 4-12x40 Rifle Scope. Lifetime product guarantee. Leupold & Stevens, Be Relentless. J'ai une Redfield 4-12x40, très lumineuse, utilisation silhouette. Par contre sur ce modèle attention pas de réglage de parallaxe. Du coup, même inconvénient que la Bushnell Elite 10x40 à savoir du flou en dessous de 50m. The Diamondback - loaded with features! First, the solid one-piece aircraft-grade aluminum alloy construction makes the Diamondback riflescope virtually indestructible and highly resistant to magnum recoil.
