Custom Course Design and Development in Engage. Wiley worked with Jack to devise a digital course solution in Wiley's LMS platform, Engage. After conducting a needs assessment to establish a course design, we created a simplified learning path for students. In mathematics, a matrix (plural: matrices) is a rectangular array of numbers, symbols, or expressions, arranged in rows and columns. For example, the dimensions of the matrix below are 2×3 (read "two by three"), because there are two rows and three columns: We have a huge collection of solutions and testbanks.
